IPS Strategic Capital has been running its internship program since 2002. We pride ourselves on having over 200 interns since the programs inception and strive to deliver a truly unique learning opportunity to the worlds future workforce.

Lidia Z.
Marketing Research Analyst at Dean Evans and Associates LLC

"IPS has taught me so many aspects in finance that I will not learn in the classroom. Their professionalism has truly inspired me to strive to become a professional, no matter what side of the business aspect I choose to pursue. My experience here is an asset that will help me in my future endeavors."

Devin R.
Manager Corporate Finance at Da Vita

"The hands-on knowledge I have gained as an intern at IPS will prove invaluable when I enter the job market next year. I have been given the opportunity to work in an energetic environment and utilize industry-wide tools only discussed in the classroom."

Samantha L.
Private Bank Analyst at JPMorgan Chase

"The IPS internship provides a unique learning opportunity that connects the "real world" with academia, which will be extremely beneficial in pursuing a career in the financial industry."

Chris E.
BAA Trading Solutions Analyst at BlackRock

"This opportunity at IPS has opened my eyes to a whole new segment of the market often underutilized and not understood by many investors in the market today. This knowledge has the ability to change the way I looking at investment strategies from this point going forward."

Nathan L.
Equity Research at Stephens Inc.

"Interning at IPS is a great introduction to the finance industry and has provided me with crucial experiences and knowledge that are not taught in college."
